# RIMP 2024

## A little history...

In 1951, a few Protestant soldiers met, for the first time, at the Musée du Désert (Mialet, Gard), a mecca of French Protestantism, to share their faith in Jesus Christ and their attachment to God. Over time, this meeting has become the International Protestant Military Gathering, a place of exchange, renewal and deepening of faith for nearly 500 Protestant soldiers from some 20 countries! It's a unique and memorable experience for everyone, whether they are from France or elsewhere!
